

40W LED Light source/Illuminator

-replacing the Metal halide light source and Halogen light source

Advantages:

- Without current in the fiber, safe to user;
- It can be made into any shape or style that you need at random;
- Moving and dynamic effect make it more active;
- Isolation from UV/ IR;
- No damage to eye;

Product Characteristics

- Quiet
- Long lifespan
- Good heat dissipation
- Energy saving, environment friendly

- ①. High power led as lamp
- ②. 6 colors
- ③. Wireless remote control
- ④. Synchronization color changing
- ⑤. Dimmer lighting
- ⑥. Twinkle lighting function
