TEAM GAME: 2-BALLS GAME

C: If a team catches 3 times, they start the game and then play with one ball against the other team until dropped for a point (volleyball rules).

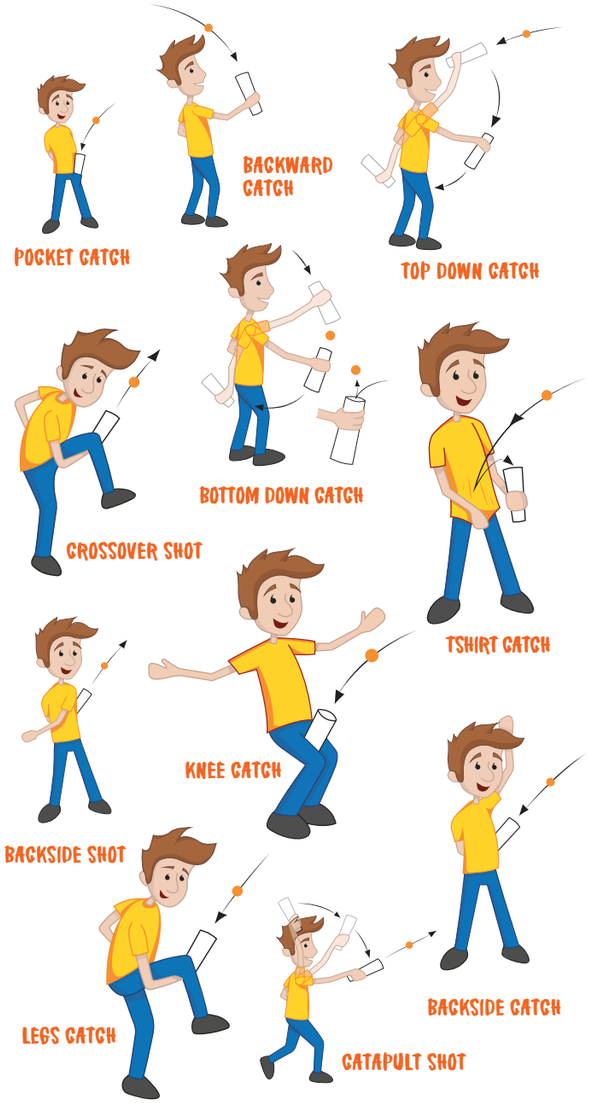

- The team that scores 11 points first with a 2 point lead wins. Change sides!
- If both teams catch their ball 3 times at the same time, they play one ball first, then the other. The team that makes a point says when the next round starts.
- While counting points, you always count loud. Fair play!

PRODUCT & SAFETY

Caution: The sports cups are designed for playing. They could break if used incorrectly, e.g. hit against each other, against a wall, thrown on the ground, stood on, sat on, jumped on.

Bassalo is a sports product, not a toy.
Play at your own risk!

Product:

- The cups are 25 cm long and made in Germany. Due to the length very far throws are possible. The balls do not jump out easily when catching. The high quality material is made with very robust, impact-resistant polypropylene.
- The balls have an optimal weight for long throws and playing in strong winds (e.g. at the beach).
- The product (cups & balls) floats on the water surface.

1.
Hold the cup at the lower part

2.
Tilt cup forward and roll the ball

3.
Pull up with one swing

4.
Ball is thrown/flipped out into the air with a slight flick of the wrist

PLAYING & TRAINING

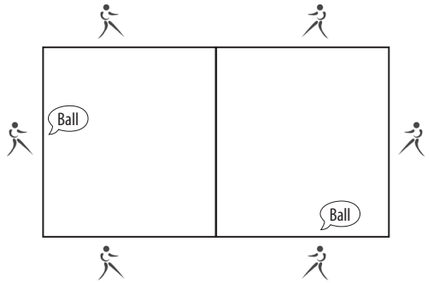

- Throwing the ball with one hand and catching with the cup, as a couple or alone against a wall.
- Time games: 3 minutes time for a couple or alone against a wall. Each catch counts as one point.
- Three in a circle with 1, 2, or 3 balls at once.
- Distance throws up to 20, 30, or 50 meters.
- Each player has a ball, and the player throws their ball to the opposite player.
- Each player has two cups and one ball in the cup on the right. Players throw at the same time. The ball always stay on the side it is thrown from. A point is scored when both players catch the ball.
- Throw and catch while running.

TEAM GAME: 2-BALLS GAME

Ideal team game for any age.
Playable on any volleyball court.

A: Each team has 3 players and one ball.
Players are positioned off the court at the beginning.

B: Both teams start at the same time and try to catch their ball 3 times (in general or in a row; agree before starting).

Rule: You always play to another player, e.g. in the circle. You can jump into the court to catch, but stay outside to throw.
