Safety Net DLX XL

(EN) Warnings: Not suitable for trampolines with a safety net height of 1,5m or smaller. Do not hang on the hoop. Falling and tipping hazard. Only use the supplied soft BERG ball while playing! Do not jump beneath the hoop. Risk of bruising and entanglement. Do not climb on the construction. For regular trampolines: Do not go underneath the trampoline while someone is on it. While using the Twinhoop all Trampoline and Safety Net warnings still apply. Only to be used in combination with a BERG trampoline. Installing on non BERG trampolines can lead to accidents. Recommended user age 6+. The TwinHoop should be assembled in accordance with the assembly instructions. Review the assembled hoop prior to each use. Objects and others obstacles that can interfere with the use of the TwinHoop are prohibited from the playing area. Remove the TwinHoop when not in use. When the product is not used for a longer period of time, BERG recommends removing it from the trampoline and storing it indoors. This extends the lifespan of the product.

(NL) Waarschuwingen: Niet geschikt voor trampolines met een veiligheidsnethoogte van 1,5m of kleiner. Hang niet aan de hoepel. Gevaar voor vallen en kantelen. Gebruik alleen de meegeleverde zachte BERG bal tijdens het spelen! Spring niet onder de hoepel. Risico op kneuzingen en verstrikking. Klim niet op de constructie. Voor Regular trampolines: Ga niet onder de trampoline door als er iemand op staat. Tijdens het gebruik van de Twinhoop zijn alle waarschuwingen voor trampolines en veiligheidsnetten nog steeds van toepassing. Alleen te gebruiken in combinatie met een BERG trampoline. Installatie op niet BERG trampolines kan leiden tot ongelukken. Aanbevolen gebruikersleeftijd 6+. De TwinHoop dient te worden gemonteerd volgens de montage-instructies. Controleer de gemonteerde TwinHoop voor elk gebruik. Voorwerpen en andere obstakels die het gebruik van de TwinHoop kunnen belemmeren, zijn verboden in het speelveld. Verwijder de TwinHoop als deze niet gebruikt wordt. Wanneer het product langere tijd niet gebruikt wordt, raadt BERG aan om deze van de trampoline te halen en binnen op te bergen. Dit verlengt de levensduur van het product.

(DE) Warnungen: Nicht für Trampoline mit einer Sicherheitsnetzhöhe von 1,5 m oder weniger geeignet. Hängen Sie nicht am Korb. Sturz- und Kippgefahr. Verwenden Sie beim Spielen nur den mitgelieferten weichen BERG-Ball! Nicht unter dem Korb springen. Gefahr von Quetschungen und Hängenbleiben. Klettern Sie nicht auf die Konstruktion. Für Regular Trampoline: Begeben Sie sich nicht unter das Trampolin, während sich jemand darauf befindet. Während der Benutzung des TwinHoop gelten weiterhin alle Warnhinweise für Trampoline und Sicherheitsnetze. Darf nur in Verbindung mit einem BERG-Trampolin verwendet werden. Die Montage auf Nicht-BERG-Trampolinen kann zu Unfällen führen. Empfohlenes Alter ab 6 Jahren. Der TwinHoop sollte gemäß der Montageanleitung montiert werden. Überprüfen Sie den zusammengebauten Korb vor jedem Gebrauch. Gegenstände und andere Hindernisse, die die Benutzung des TwinHoop beeinträchtigen können, sind auf der Spielfläche verboten. Nehmen Sie den TwinHoop ab, wenn Sie ihn nicht verwenden. Wenn das Produkt längere Zeit nicht benutzt wird, empfiehlt BERG, es vom Trampolin abzunehmen und drinnen aufzubewahren. Dies verlängert die Lebensdauer des Produkts.

(FR) Mises en garde: Ne convient pas aux trampolines dont le filet de protection est inférieur ou égal à 1,50 m. Ne pas se suspendre au panier. Risque de chute ou de basculement. Ne pas utiliser d'autre ballon que le ballon mou BERG pour jouer. Ne pas sauter sous le panier. Risque de blessures ou d'enchevêtrement. Ne pas grimper sur la structure. Pour les trampolines Regular : Ne jamais passer sous le trampoline lors de l'utilisation. Les avertissements de sécurité sont toujours applicables lors de l'utilisation du Twinhoop all Trampoline et Safety Net. À installer sur un trampoline BERG uniquement. Une installation sur un trampoline d'une autre marque peu conduire à des accidents. Recommandé pour les enfants à partir de 6 ans. Le TwinHoop doit être monté selon les instructions fournies. Vérifier le bon état du TwinHoop avant chaque utilisation. Les objets et autres obstacles qui pourraient interférer avec le TwinHoop sont interdits dans la zone de jeu. Retirez le TwinHoop lorsque vous ne l'utilisez pas. Lorsque le produit n'est pas utilisé durant une longue période, BERG vous recommande de le retirer du trampoline et de le ranger à l'intérieur. Cela permet de prolonger la durée de vie du produit.

(SE) Varningar: Ej lämplig för studs mattor med en skyddsnätshöjd på 1,5m eller lägre. Häng inte på ringen. Fall- och tipprisk. Använd endast den medföljande mjuka BERG-bollen när du spelar! Hoppa inte under korgen. Risk för blåmärken och att fastna. Klättra inte på konstruktionen. För Regular studs mattor: Gå inte under studs mattan medan någon sitter på den. När du använder Twinhoop gäller fortfarande samtliga trampolin- och skyddsnätvarningar. Används endast i kombination med en BERG-studs matta. Installation på trampoliner som inte kommer från BERG kan leda till olyckor. Rekommenderad användarålder 6+. TwinHoop ska monteras i enlighet med monteringsanvisningarna. Granska den monterade ringen före varje användning. Föremål och andra hinder som kan störa användningen av TwinHoop är förbjudna i spelområdet. Ta bort TwinHoop när den inte används. När produkten inte används under en längre tid rekommenderar BERG att ta bort den från studs mattan och förvara den inomhus. Detta förlänger produktens livslängd.

(DA) Advarsler: Egner sig ikke til trampoliner med et sikkerhedsnet på 1,5 meter i højden eller lavere. Hæng ikke på rammen. Fare for fald og tipning. Brug kun den medfølgende bløde BERG-bold, når du spiller! Hop ikke under rammen. Risiko for blå mærker og sammenfiltring. Det er forbudt at klatre på konstruktionen. For Regular trampoliner: Ophold dig ikke under trampolinen, mens nogen er på den. Når du bruger Twinhoop, gælder alle Trampolin og Safety Net advarsler stadig. Må kun anvendes i kombination med en BERG trampoline. Installation på ikke BERG trampoliner kan føre til ulykker. Anbefalet bruger alder 6+. TwinHoop skal samles i overensstemmelse med monteringsvejledningen. Gennemgå den samlede hoop før hver brug. Objekter og andre forhindringer, der kan forstyrre brugen af TwinHoop er forbudt på legeområdet. Fjern TwinHoop, når det ikke er i brug. Når produktet ikke bruges i længere tid, anbefaler BERG, at det fjernes fra trampolinen og opbevares indendørs. Dette vil forlænge produktets levetid.

(NO) Advarsel: Egner seg ikke til trampoliner med et sikkerhetsnett på 1,5 m eller lavere. Ikke heng på kurven. Fare for fall og velting. Kun bruk den medfølgende myke BERG-ballen! Ikke hopp direkte under kurven. Fare for blåmerker og vikling. Ikke klatre på konstruksjonen. For vanlige trampoliner: Ikke gå under trampolinen mens noen hopper på den. Ved bruk av TwinHoop gjelder alle advarsler vedrørende trampolinen og sikkerhetsnettet. Kun til bruk med en BERG-trampoline. Bruk med andre typer trampoliner kan føre til ulykker. Anbefalt alder: 6+. TwinHoop bør monteres i samsvar med monteringsinstruksjonene. Inspiser den sammensatte kurven før hvert brukstilfelle. Objekter og andre hindringer som kan forstyrre med bruken av TwinHoop er bannlyst fra lekeområdet. Fjern TwinHoop når den ikke er i bruk. Hvis produktet ikke skal brukes på lengre tid, anbefaler BERG at det fjernes fra trampolinen og oppbevares innendørs. Dette forlenger produktets levetid.

(FI) Varoitus: Ei sovellu trampoliineille, joiden turvaverkon korkeus on 1,5 m tai vähemmän. Älä roiku kehikosta. Putoamis- ja kaatumisvaara. Käytä pelaamiseen vain mukana toimitettua pehmeää BERG-palloa! Älä hyppää kehikon alle. Mustelmien ja sotkeutumisen vaara. Älä kiipeä rakenteen päälle. Regular trampoliini: Älä mene trampoliinin alle, kun joku on sen päällä. Kaksoisvanteen käyttöön pätevät kaikki trampoliinin ja turvaverkon varoitukset. Käytetään vain yhdessä BERG-trampoliinin kanssa. Asentaminen muuhun kuin BERG-trampoliiniin voi johtaa loukkaantumiseen. Suositellaan yli 6-vuotiaille. Kaksoisvanne on koottava asennusohjeiden mukaisesti. Tarkista koottu kehikko aina ennen käyttöä. Esineet ja muut esteet, jotka voivat häiritä kaksoisvanteen käyttöä, ovat kiellettyjä leikkialueella. Poista TwinHoop, kun sitä ei käytetä. Kun tuotetta ei käytetä pitkään aikaan, BERG suosittelee poistamaan sen trampoliinista ja säilyttämään sisätiloissa. Tämä koskee tuotteen koko käyttöikä.

(IT) Avviso: Non adatto per trampolini con altezza della rete di sicurezza pari o inferiore a 1,5 m. Non appendersi alla cerchiatura di protezione. Rischio di caduta e di ribaltamento. Utilizzare solo la morbida palla BERG fornita in dotazione per giocare! Non saltare oltre la cerchiatura di protezione. Rischio di contusioni e di impigliamento. Non arrampicarsi alla struttura. Per tappeti elastici regolari: Non posizionarsi sotto al tappeto elastico mentre è in uso da un'altra persona. Quando si usa il Twinhoop si applicano tutte le avvertenze per i tappeti elastici e le reti di sicurezza. Da usare esclusivamente in associazione al tappeto elastico BERG. L'installazione su tappeti elastici BERG può comportare incidenti. Età minima di utilizzo superiore a 6 anni. Installare TwinHoop in conformità con le istruzioni di montaggio. Ispezionare il cerchio montato prima di ogni utilizzo. Oggetti e altri ostacoli che possono interferire con l'utilizzo di TwinHoop sono vietati nell'area gioco. Rimuovere TwinHoop quando non è in uso. Se il prodotto non viene utilizzato per un lungo periodo di tempo, BERG raccomanda di rimuoverlo dal trampolino e di riporlo al coperto. In questo modo si prolunga la durata di vita del prodotto.

(ES) Advertencia: No adecuado para trampolines con una altura de la red de seguridad de 1,5 m o inferior. No colgarse del aro. Peligro de caída y vuelco. Utiliza sólo el balón blando BERG suministrado mientras juegas. No saltes debajo del aro. Riesgo de golpes y accidentes. No te subas a la estructura. Para las camas elásticas Regular: No pases por debajo de la cama elástica mientras alguien esté sobre ella. Durante el uso del Twinhoop se siguen aplicando todas las advertencias sobre la cama elástica y la red de seguridad. Solo debe utilizarse en combinación con una cama elástica BERG. La instalación en camas elásticas que no sean BERG puede provocar accidentes. Edad recomendada del usuario: 6 años o más. El TwinHoop debe montarse de acuerdo con las instrucciones de montaje. Compruebe el aro montado antes de cada uso. Los objetos y otros obstáculos que puedan interferir con el uso del TwinHoop están prohibidos en el área de juego. Quitar el TwinHoop cuando no se esté usando. Cuando el producto no se use durante un mayor periodo de tiempo, BERG recomienda quitarlo del trampolín y guardarlo en interior. Esto alarga la vida útil del producto.
