PLUG LAMP

Design by Form Us With Love

A product with dual function

Plug Lamp is design by the Stockholm-based design studio Form Us With Love for ateljé Lyktan. And it does exactly what its name suggests. “This was a really simple idea”, says John Löfgren. “We wanted to create a lamp with the added bonus of an electrical socket. Whether it is to charge a mobile phone, computer, tablet or camera, we constantly seem to be on the look-out for electric points when we are on the go”.

Plug Lamp has a powder-coated cast aluminium base which supports a bulbous shade in frosted glass. The socket sits centrally on the base, confidently announcing the dual function of the product.

Standard finish

Black
RAL9005

White
NCS S0502-Y

Dusty blue
NCS S6020-B

Dusty green
NCS S6010-G70Y
