

MV AGUSTA and DAZEROA300

Varese, 12th September 2013 - The world GP 500 champion Marco Lucchinelli presents his new project DAZEROA300, conceived in collaboration with MV Agusta.

Behind this new adventure lies an endless passion for motor world and speed. Thanks to its partnership with MV Agusta, DAZEROA300 will be offering driving courses at the motor racing circuit in Vairano (Pavia - Italia). The first day is scheduled for Saturday 12th October: all the enthusiasts and owners of a motorbike made by this legendary Italian brand can take to the track and discover the secrets of racing thanks to the experience of world champion Marco Lucchinelli, who will be your instructor for the day.

DAZEROA300 offers 2 different courses, so you can choose the one most suited to your needs:

- STANDARD (€350)
- MASTER: with the possibility to hire a motorbike (from €800 to €1,400) or with your own MV Agusta (€450).

Owners of an MV Agusta motorbike can also make test runs (eight 20-minute turns) at the price of €150.

You can register by filling in the form online (subject to availability). The course program with times, prices and all the necessary information can be found on www.dazeroa300.com
