

PRODUCT OVERVIEW

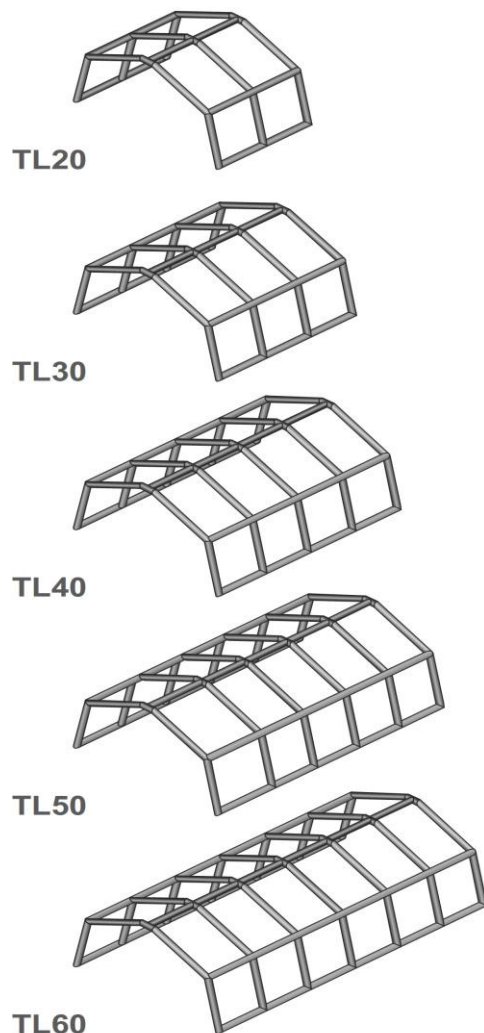

Our Trendline inflatable tents are designed to provide first responders with a lightweight and fast-deployment shelter in crisis situations. Composed of a rubber frame and a polyester cover, our Trendline tents offer a versatile solution and can be used as a standard shelter or adapted into a decontamination tent with integrated shower lanes (2 or 3 lanes). Easy to transport and set up, our Trendline tents are also fully washable and bacteria-resistant.

Our Trendline tents include the following:

- 1 pneumatic frame
- 2 gable doors
- 1 electric cable sleeve
- 2 air conditioning sleeves
- Pegs and guy ropes
- 1 repair kit
- 1 transport bag

Options:

- Windows
- Water ballasting beams
- Inner Liner for decontamination
- Partition curtains
- Detachable groundsheet
- Banner with logo
