

Product Code: 7018

Aquarius™ Wiper Dispenser - Roll Control / White

Marketing Brand: Aquarius™

Sub Brand: MAINLINE

Product Title: Aquarius™ Roll Control™ Wiper Dispenser 7018 - Centrefeed Roll Dispenser - 1 x White, Wall Mounted Centrefeed Dispenser

General Description: Kimberly-Clark Professional® Aquarius™ wiper dispensers offer smart, hygienic and cost effective solutions when you need it most. Aquarius™ Roll Control™ wiper dispenser is the essential centrefeed dispenser for any business. This quick loading, easy-clean wiping paper roll dispenser offers a more reliable single sheet dispensing solution for improved workplace hygiene and reduced wastage. Centrefeed dispenser controlled single sheet dispensing reduces the number of cleaning wipes used whilst ensuring that the user only touches the sheet they need, securing a maximum of hygiene and offering better cost control. Combined with compacted WypAll® wiper rolls with more sheets per roll, this Kimberly-Clark™ dispenser also facilitates less refills and fewer trucks on the road, offering you higher sustainability standards by reducing CO2 emissions and waste. The sleek and contemporary design makes this white dispenser the perfect product for any environment where cleanliness is key. The wall mounted, high gloss Aquarius™ dispenser is made with rounded edges and a sloped top to prevent an accumulation of rubbish, dust and dirt and make it easy to clean with just one cloth or wiper. Our unique, patented overfill prevention device, and dispenser window to gauge refill needs, makes refilling easy and prevents jamming and wastage. The centrefeed dispenser is easy to maintain with a push button, or key lock to prevent pilferage. For optimal single sheet dispensing, use Aquarius™ Roll Control™ wiper dispenser with our single sheet, perforated WypAll® wiper rolls in white (7406) or blue (7407), by utilising the red plate supplied with the dispenser. Or utilise the installed innovative blue plate for Roll Control™ dispenser conversion to accommodate the even higher sheet count WypAll® L10 wiping paper rolls in white (7494) or blue (7490). Aquarius™ Roll Control™ wiper dispenser is also compatible with WypAll® wiper rolls 7491, 7492, 7493 and 7495 and Scott® centrefeed hand towel rolls 6564. Each Aquarius™ Roll Control™ centrefeed dispenser measures 27.8cm (L) x 27.6cm (W) x 22.6cm (D) and is also available in grey (7181).

FEATURES AND BENEFITS

- One white, wall mounted Aquarius™ Roll Control™ centrefeed roll wiper dispenser, offering a more reliable single sheet dispensing solution for your workplace; blue plate installed for Roll Control™ and one red plate supplied for conversion to dispensing of perforated WypAll® wiper rolls
- This innovative wiping paper roll dispenser offers controlled single sheet dispensing which reduces the number of sheets used and ensures you only touch the sheet you need, for improved workplace hygiene and better cost control
- Compatible with compacted wiper rolls with more sheets per roll, this Kimberly-Clark™ dispenser facilitates less refills and fewer trucks on the road, offering you higher sustainability standards by reducing CO2 emissions and waste
- This quick loading, high-gloss white dispenser benefits from a sleek and contemporary design with a window to gauge refill needs and an easy-clean finish with no dirt or dust traps
- For optimal single sheet dispensing, use Aquarius™ Roll Control™ wiper dispenser with our single sheet, perforated WypAll® wiper rolls in white (7490, 7406) or blue (7494, 7407). Also compatible with a range of other WypAll® centrefeed wipers
