

# **OME 40 MR, oil mist separator with oil return to pump for Duo 35/65, Duo 35/65 M**

## OME 40 MR, oil mist separator with oil return to pump for Duo 35/65, Duo 35/65 M

- Mounted on the pump's exhaust port and prevents contamination of the air by oil mist
- Oil mist separator with oil return to pump
- For pumping speeds up to 65 m<sup>3</sup>/h
- DN 40 ISO-KF

### Dimensions

| Technical Data           | OME 40 MR, oil mist separator with oil return to pump for Duo 35/65, Duo 35/65 M |
|--------------------------|----------------------------------------------------------------------------------|
| Capacity                 | 0.7 l                                                                            |
| Connection flange (in)   | DN 40 flange                                                                     |
| Connection flange (out)  | DN 40 ISO-KF                                                                     |
| Degree of separation     | 98 %                                                                             |
| For pump                 | Duo 35/65   Duo 35/65 M                                                          |
| For pumping speed up to  | 70 m <sup>3</sup> /h   41.2 cfm   1,166.67 l/min                                 |
| Pressure max. (absolute) | 1,500 hPa   1,125 Torr   1,500 mbar                                              |
| Weight                   | 11 kg   24.25 lb                                                                 |

### Order number

OME 40 MR

**PK Z40 151**

### Accessories

#### Monitoring|Saturation indicators

Saturation indicator, optical/electrically for OME 40 M

**P 0991 684**

## VACUUM SOLUTIONS FROM A SINGLE SOURCE

Pfeiffer Vacuum stands for innovative and custom vacuum solutions worldwide, technological perfection, competent advice and reliable service.

## COMPLETE RANGE OF PRODUCTS

From a single component to complex systems:

We are the only supplier of vacuum technology that provides a complete product portfolio.

## COMPETENCE IN THEORY AND PRACTICE

Benefit from our know-how and our portfolio of training opportunities!

We support you with your plant layout and provide first-class on-site service worldwide.

Are you looking for a  
perfect vacuum solution?  
Please contact us:
