MicroMike™ L-O

MINIATURE LAVALIER MICROPHONE

- Superb sound quality
- Voice contoured frequency response
- Excellent gain before feedback

- Compatible with leading brands
- Exchangeable connectors
- Spare windscreens/clips included

The ACE MicroMike L-O is a prepolarised omnidirectional miniature condenser microphone, ideally suited for vocal sound and speech applications.

MicroMike L-O is the microphone of choice when you need the highest quality voice pickup and no or low visibility of the microphone itself.

MicroMike L-O is easy to attach to clothing with the included tieclips.

Extended Frequency Response:

The ACE MicroMike L-O has a wide 20Hz to 20kHz frequency response and is shaped for excellent vocal intelligibility.

Adapters:

Connectors are included for the most common wireless transmitters, AKG, Shure, Sennheiser (3,5mm) and Mipro.

Accessories:

The MicroMike L-O is supplied complete with 4 windscreens and 4 tieclips.

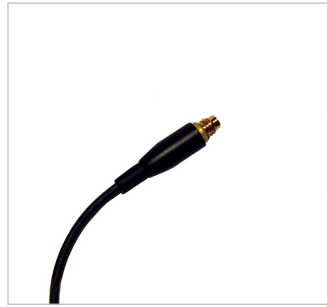

Protected:

MicroMike L-O comes in a protective hard leathercase together with accessories.
