

Document-shredder accessories 20710

- Spare filter for document shredders with DAHLE CleanTEC® features
- Fine dust filtration by 98%
- Service life between 15 and 20 operating hours depending on the version
- Absorbs fine dust directly where it is generated and conducts it to the filter through a closed system – for less fine dust pollution at the point of use.

* Maximum number of DIN A4 sheets that can be shredded in a single load under the following conditions: new cutting rollers (oiled if necessary), cold motor, power supply with rated voltage and rated frequency (230V/50Hz; 120V/60Hz). Sheet capacity may be lower and operating noise higher under different conditions. Sheet capacity may also vary due to sheet characteristics and paper feed.
