

# VolumePRO (190 L) 519

- Powerful document shredder for large volumes
- Integrated photoelectric sensor with convenience electronics for automatic start-stop enables fast availability and safe use
- Automatic safety shut-off when the waste container is full or the door is open
- Optical waste level indicator
- High-quality, solid-steel cutters in special steel for a guaranteed long service life
- 6 strong waste bags included
- Convenient casters for greater mobility
- Great performance from 1900 watts of power

\* Maximum number of DIN A4 sheets that can be shredded in a single load under the following conditions: new cutting rollers (oiled if necessary), cold motor, power supply with rated voltage and rated frequency (230V/50Hz; 120V/60Hz). Sheet capacity may be lower and operating noise higher under different conditions. Sheet capacity may also vary due to sheet characteristics and paper feed.
