Portable Wireless Speaker Operation Manual

Thank you for purchasing this Wireless Speaker.
Please read all instructions carefully before using
and retain this manual for future use and reference.

FUNCTION BUTTONS:

1. Mode Shift by short press (Between Bluetooth and FM)
2. Volume Down (long press) / Previous track (short press)
3. Volume Up (long press) / Next Track (short press)
4. Short Press: Pause/Play Music; Answer/Hang up phone call; Long press for FM radio auto-scan

PAIRING THE SPEAKER:

1. Please ensure the speaker is turned off. The speaker will not pair unless it is first turned off.
2. Turn on the speaker again. Once the blue LED light is flashing, the speaker is ready to pair.

3. Place the speaker and the Bluetooth device to which you would like to pair within the operating distance. We recommend keeping the two devices no further than 33 feet apart.
4. Ensure Bluetooth is enabled on your phone or music device.
5. Once you have activated the Bluetooth on your device, search and select the name "FOR-X" from the list of available pairing options. (To avoid signal interference, please turn off other Bluetooth devices.)
6. Once the speaker is paired with the desired device, it will remember and pair it automatically.

CHARGING THE SPEAKER:

1. The speaker comes with a built-in rechargeable battery. Before use, charge the battery fully with the supplied cable.
2. Connect the USB cable to a computer USB port and the Micro USB plug to the charging port of the speaker. The red LED light will illuminate while the speaker is charging.
3. A full charge of the battery takes around 4-5 hours. Once fully charged, the LED light will turn off.

SAFETY INSTRUCTIONS:

- * Keep the unit away from heat sources, direct sunlight and corrosive liquid.
- * Do not use the unit if it has been dropped or damaged in any way.

- * Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
