Den klassiske fanakoften er en lusek ofte med  
striper, og finnes i mange varianter. Lusene  
i koften er strikket midt i stripene, som alle er  
like brede. av alle fanakoftene er det ingen  
modeller som med sikkerhet kan sies å være den  
opprinnelige fanakoften. Den garns første  
fana-strikkemodell kom i midten av 40-årene.
