

## LCD TV Product Specification

| Name of the model    | 24HCG4000S                                                                        |
|----------------------|-----------------------------------------------------------------------------------|
| Photo                |  |
| EAN                  | 8594213441092                                                                     |
| Panel spec           |                                                                                   |
| Size                 | 24" diagonal                                                                      |
| Backlight            | DLED direct Type                                                                  |
| Maximum resolution   | 1366×768                                                                          |
| Contrast ratio (Typ) | 2250:1                                                                            |
| Response time(Typ)   | 9.5ms                                                                             |
| Display scale        | 16:9                                                                              |
| Viewing angle(CR>10) | Typ(H:178°,V:178°)                                                                |
| Display Colors       | 16.7 M                                                                            |
| Color Gamut(NTSC)    | Min: 65% Typ: 68%                                                                 |
| Local dimming        | nonsupport                                                                        |
| Brightness           | 150-180nits                                                                       |
| Hardware Information |                                                                                   |
| ATV                  | PAL;SECAM                                                                         |
| DTV DVBT/T2/C/S/S2   | DVB-T/T2/C/S/S2                                                                   |
| HBBTV                | No                                                                                |
| CPU Frame            | ARM Cortex-A55/1.3GHz/Quad-core                                                   |
| GPU                  | G31MP2/Multi-Core                                                                 |
| RAM(DDR)             | 1GB                                                                               |
| ROM(Flash)           | 8GB                                                                               |
| Audio power(Output)  | 6W+6W                                                                             |
| WIFI(Type)           | 2T2R                                                                              |
| Tuner type           | IEC;screw-thread(optional)                                                        |
| USB 2.0              | 2                                                                                 |
| USB 3.0              | -                                                                                 |
| VGA                  | -                                                                                 |
| AV In                | MINI AV-IN                                                                        |
| YPbPr In             | -                                                                                 |
