The perfect introduction to the Revere family

REVERE 100

DAB+/FM Stereo Sound System with Bluetooth

Combining DAB+/FM radio, Bluetooth streaming and impressive stereo sound in a compact footprint, Revere 100 is engineered to deliver performance beyond expectations.

Enjoy powerful stereo sound with rich bass, a vibrant colour display and tailored listening with 6 EQ presets, all housed in a beautifully crafted wooden cabinet.

- DAB+/FM Radio with Bluetooth Connectivity
- Rich Stereo Sound with Enhanced Bass
- Premium Wooden Cabinet with Full-colour Display
- Personalised Audio with 6 EQ Presets & My EQ

Big Sound. Compact Design.

Designed for Better Listening

A new benchmark for the compact all-in-one Stereo Sound System, Revere 100 has been engineered to deliver truly impressive audio performance, build quality and everyday usability. Offering DAB+/FM radio and Bluetooth streaming all within an acoustically-tuned hand-built wooden cabinet.

Hear Every Detail

Sound with Space and Presence

Two 2.25" full-range drivers provide clear stereo separation and a wide, natural soundstage, whilst the downward-firing 5.25-inch passive bass radiator ensures a warm, room-filling low end sound. Music, speech and broadcast content all benefit from a true sense of space and presence.

Easy to Read, Day or Night

Clear Information at a Glance

The Revere 100 features a full-colour LCD display that clearly presents station name, programme information, track title, time and EQ settings. Display brightness can be adjusted to suit the time of day or location – ensuring comfortable viewing in both bright living spaces and darker bedrooms.

Powerful Stereo Sound, Beautifully Tuned

Combining premium craftsmanship with versatile listening features, the Revere 100 delivers powerful stereo sound, rich bass and personalised audio settings in a beautifully designed wooden cabinet, making it the perfect companion for every room in the home.
