

URBAN

Y.10

SPECS

Sizes

XXS XS S M L
XL XXL

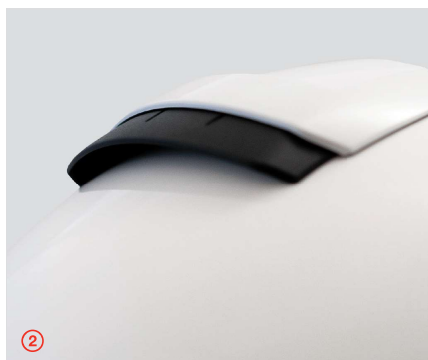

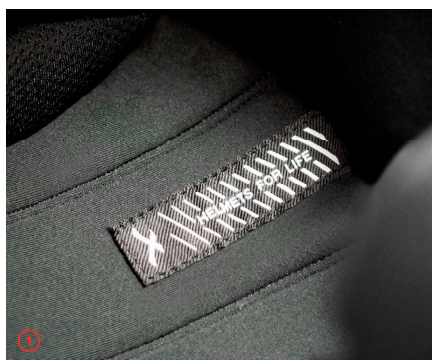

Weight

1325 g +/- 50 g (Polyfusion)

Homologation

ECE/22-06, DOT FMVSS 218
and NBR-7471

- 1** MORE COMFORT
The new Y.10 is available in 2 shell sizes offering more compact dimensions for an outstanding fit and comfort.
- 2** VENTILATION
Equipped with a large upper vent; the combination of Easy Flow channels in the EPS liner ensure that fresh air is channeled and distributed efficiently around the head.
- 3** ULTRA-WIDE SUN VISOR
The new integrated, light tinted sun visor offers improved peripheral vision and excellent protection against intensive sunlight and glare. It can be manually extended or retracted using a subtle grip on the lens edge.
- 4** OUTSTANDING EYE PORT
The wide visor offers an increased feeling of openness inside the helmet, a sense of freedom ideal for all urban conditions.
- 5** PREPARED FOR UNIVERSAL INTERCOM COMMUNICATION SYSTEMS
Y.10 is by default equipped to accommodate Universal Communication Systems with up to 45mm Audio Sets.
- 6** ECE 22-06 HOMOLOGATED
The Y.10 comes with the new ECE 22-06 homologation which provides new tests performed at higher speed, with more impact locations, improved impact-absorption capacity and additional requirements for features such as visors.
