Clarity Sound Management Earmuff

Advanced Sound Management Technology for enhanced communication

Product Numbers & Ordering Information

	10 111 42	Clarity C1 - headband earmuff SNR 25 H - 24 M - 22 L - 20
	10 111 43	Clarity C1F - folding earmuff SNR 26 H - 25 M - 24 L - 19
	10 112 62	Clarity C1H - headband earmuff SNR 26 H - 26 M - 23 L - 19
	10 111 45	Clarity C2 - multiple-position earmuff SNR 30 H - 30 M - 29 L - 25
	10 111 46	Clarity C3 - headband earmuff SNR 33 H - 31 M - 32 L - 29

	10 112 64	Clarity C3H - helmet earmuff SNR 30 H - 28 M - 28 L - 24
---	------------------	--

Översikt

Viktigaste egenskaperna

- Patented Sound Management Technology's uniform attenuation allows wearer to hear co-workers, instructions, and other important sounds more naturally while blocking out harmful noise
- Dielectric construction suitable for all workplaces, especially electrical environments
- Uniform headband pressure for all head sizes, providing better comfort for long-term wear
- Quick-Click height adjustment remains fixed during wear
- Snap-in ear cushions make replacement quick and easy

Garantiinformation

There is a one years guarantee against defects in material and workmanship. The guarantee does not cover damage caused by misuse, abuse or unauthorised modifications.

Specifikationer

Dielectric	Yes
Headband Earmuff Features	• Uniform headband pressure for all head sizes, providing better comfort for long-term wear • Inner-ventilated headband minimizes pressure on the head, breathes easier in warm/humid climates • Non-deforming outer headband withstands rough treatment in the toughest workplaces
Folding Earmuff Features	• Convenient folding design for easy storage • Folding Earmuff Belt Case also available
Helmet Earmuff Features	• For use with a wide range of hard hats • Earcups snap in place during use and swing back when not in use • Includes pair of hard hat adapters
Multiple-Position Earmuff Features	• Multiple-position headband allows wearer to select position over the head, behind the head or under the chin • Alternative to cap-mounted earmuffs – wear with hard hats, face shields, respirators and other PPE • Includes attached elastic headband strap for better positioning when worn behind the head or under the chin
Packaging	Individual Box

EU Certifications

Ytterligare information

CARE AND MAINTENANCE

- **INSPECT** – Regularly examine earcups and ear cushions for cracks and leaks—discard if earcups are visibly damaged or compromised. Replace ear cushions if damaged.
- **CLEAN** – Wash earcups and ear cushions regularly with mild soap and water. They may not be dipped into water. Do not treat with any other substances, as the ear cushions may degrade and compromise use.
- **REPLACE** – As ear cushions and foam inserts can degrade over time, replace these every 6-8 months under normal wear, or every 3-4 months with heavy use or in humid/extreme climates.
