Tools for Chefs

Hot drinks boiler single-walled code: 211144

Ideal for mulled wine and boiling water for tea.

Operates automatically and keeps drinks at serving temperature.

Single-walled brushed stainless steel housing and lid with safe "Twist-lock" system.

Scale-protected heating element under the tank with overheat protection.

Fitted with cool-touch grips, cover handle and anti-drip spout, all made of polypropylene.

Clear water level indicator in liters.

Maximum cup height: 130 mm (without drip tray).

With a power switch and indicator lights for heating and troubleshooting.

Temperature can be set from 30° to 100°C.

Not suitable for chocolate milk.
