

Hot drinks boiler double-walled code: 211168

Ideal for mulled wine and boiling water for tea.
Operates automatically and keeps drinks at serving temperature.
Heat loss and energy consumption are reduced by the insulated double-walled polished stainless steel housing.
Lid with safe "twist-lock" system.
Scale-protected heating element under the tank with overheat protection.

Fitted with cool-touch grips, cover handle and anti-drip spout, all made of polypropylene.
Clear level indicator in litres.
Maximum cup height: 130 mm (without drip tray).
With power switch and indicator lights for heating and troubleshooting.
Temperature can be set from 30°C to 100°C.
Drip tray included.
Not suitable for chocolate milk.
