Soup chafing dish mirror finish code: 470244

Ideal for buffets and catering.

By using high-quality material and a beautiful finish, these chafing dishes give every presented dish a certain allure.

The chafing dishes and accessories are entirely made from durable stainless steel. The round soup container is placed

in a large water pan which provides plenty of heat to easily keep the soup hot.

Soup container fitted with two handles.

The lid has a recess for the spoon.

Supplied with removable water pan, round soup container and chafing dish fuel can holder.
