

Deep fryer Profi Line, 2 × 8 l code: 207307

Profi Line deep fryers are made of 18/0 stainless steel. Removable control element with an additional safety feature that switches off the fryer heater when it is removed. The grease container has a V-shaped bottom with an optimal “cold zone” for increased grease yield. Easy to read control panel with temperature control knob and indicator light.

Overheating protection thanks to a resettable thermal fuse. Deep frying basket with extra-long, cool-touch handle for intensive use. All deep fryers are equipped with 1 deep frying basket and 1 lid for each chamber.
