REACH REGULATION (EC) No. 1907/2006 SVHC (Duty to provide information in accordance with Article 33) This is to confirm that, as far as we are currently aware, the above product does not contain above 0.1% weight by weight of any substances on the candidate list (dated 15.01.2018), as stipulated in Article 59(1) of Regulation (EU) no. 1907/2006 ("REACH") . Should we be informed differently by our sub-suppliers, we will inform you immediately, without waiting for a specific request to do so. According to the information currently available to us, the packaging of the above product does not contain above 0,1% weight by weight of any substances on the latest candidate list (version dated 15.01.2018). Should we obtain any information to the contrary, we will inform you immediately, without waiting for a specific request to do so. In addition, we shall also inform you immediately if an addition to the candidate list affects the above products or product packaging Weissbach, 07 June 2018 Konrad Hornschuch AG  Dr. Gabriele Brenner Head of R & D interior contract Research & Development  Dr. Roland Zwettler Head of Safety & Environment Safety & Environment
