

VITAL C

hydrating enzyme masque

product

A hydrating enzyme masque that gently exfoliates the buildup of dull, dry skin. Nourishing Vitamins A, C, and E promote healthier, more radiant youthful skin. Paraben free.

skin type

Sensitive/inflamed, aging, dry/dehydrated, post-peel/post-operative, oily/acne.

benefits

This gently exfoliating hydrating masque infused with Vitamin C sloughs away buildup of dead skin cells while infusing the skin with essential antioxidants, vitamins and minerals. Provides continuous hydration for hours after application. Can also be mixed with Total Resurfacing Masque for additional exfoliation.

directions

Apply liberally to cleansed skin for 5-30 minutes 1-3 times per week. May be used daily for extremely dull skin to immediately reveal radiant skin.

pro tip

At home facial: apply the AGELESS total resurfacing masque, massage briefly, and apply a generous amount of the VITAL C hydrating enzyme masque on top. Leave on 15 minutes and rinse.
